Management Group 1 Doubles Staff During First Quarter of 2009

Fort Myers, FL (Apr. 7, 2009) – Management Group 1, a full-service real estate marketing and property management firm based in Fort Myers, Fla., announced a 50% growth in staff during the first quarter of 2009.

Commitment to providing top-notch customer service has certainly been the path to new growth for Management Group 1. The company's web-based property management system allows staff to manage from anywhere Internet access is available. Tenants are able to make repair requests online and submit all applications via the web to help insure a timely, smooth response.

According to Michael Aranda, president of Management Group 1, most of the twelve-person company's team members have received their real estate training with the firm.

"MG1 takes a special interest in all of our agents and expects the highest level of accountability," said Aranda. "We have proven methods that work, and train all of our professionals how to generate business, create value, and separate from the crowd. Our programs are demanding and require attention, care and diligence. With a steadfast attitude, our sales agents continue to be leaders in the industry."

Management Group 1 is a sophisticated full-service real estate firm specializing in the management, marketing and sales of investment and high-end residential properties. Currently, the company manages over \$60 million in residential properties and 20,000 square feet of commercial space from Ft. Myers, to Naples and Port St. Lucie to West Palm Beach, Florida. The company is focusing on the distressed assets of Southwest Florida and becoming an industry leader in short sales and corporation-owned property.
