Management Group 1 Announces 25% Growth in Staff During Fourth Quarter '08

Fort Myers, FL (Jan. 20, 2009) – Management Group 1, a full-service real estate marketing and property management firm based in Fort Myers, Florida, announced a 25% growth in staff during the fourth quarter of 2008 and plans to add an additional 25% to its workforce in the coming months.

“Management Group 1 has been able to establish relationships with multiple banks by providing top quality service in a distressed housing market,” said Michael Aranda, President of Management Group 1. “After a year of property management, our clients turn to us to provide re-sales services. Within 30 days, we’ll have over 30 listings and the number grows by almost two a day from there.”

Commitment to providing top-notch customer service has certainly been the path to new growth for Management Group 1. The company’s web-based property management system allows staff to manage from anywhere Internet access is available. Tenants are able to make repair requests online and submit all applications via the web to help insure a timely, smooth response.

Management Group 1 is a full-service real estate firm specializing in the advertising, selling, leasing and management of investment and residential properties. Currently, the company manages 200 residential properties and 20,000 square feet of commercial space from Ft. Myers, to Naples and Port St. Lucie to West Palm Beach, Florida. The company generated more than \$6 million in real estate sales in 2008 and plans to double that figure in 2009, with sales already in excess of \$1 million for this year. For more information including a listing of the complete range of residential real estate services offered by Management Group 1, visit their website at www.mg1fl.com.
