Management Group 1 Joins National Association of Residential Property Managers

Fort Myers, FL (Feb. 11, 2009) – Management Group 1, a full-service real estate marketing and property management firm based in Fort Myers, Florida, has become a member of the National Association of Residential Property Managers (NARPM).

The premier professional association of residential property managers represents over 2,000 members comprised of real estate agents, brokers, managers and their employees. In addition to bringing the highest level of professionalism and ethics to the property management profession, members are required to complete a core group of courses in order to earn NARPM designation.

“NARPM represents only the most outstanding property management companies in the business and we are proud to be one of them,” says Michael Aranda, President of Management Group 1. “This new affiliation will provide us with access to a variety of educational and growth opportunities to help ensure our continued success in South Florida’s dynamic property management market.”

Management Group 1 is a full-service real estate firm specializing in the advertising, selling, leasing and management of investment and residential properties. Currently, the company manages 200 residential properties and 20,000 square feet of commercial space from Ft. Myers, to Naples and Port St. Lucie to West Palm Beach, Florida. The company generated more than \$6 million in real estate sales in 2008 and plans to double that figure in 2009, with sales already in excess of \$1 million for this year. For more information including a listing of the complete range of residential real estate services offered by Management Group 1, visit their website at www.mg1fl.com.
